Dear Hiring Professional,

I was excited to learn about the Software Developer position with ABC posted on your company website and would greatly appreciate your considering my placement in this role. I've closely reviewed the needs and requirements for this role and believe that my qualifications have prepared me to contribute immediate value to your organization.

While in school, I worked hard to hone my Problem-Solving and Critical thinking skills. I am focused and attentive to detail when addressing high-volume task loads to meet deadlines. I am inspired by making a positive impact by applying my problem-solving abilities allow me to address challenges to achieve results. I've trained and studied to pursue the position of Software Developer. I have so much to offer ABC. Beyond my enthusiasm and dedication.

My academic experiences have served me well in developing my teamwork, problem-solving, and observation skills. I work well to use clear and concise communication to interact professionally with co-workers, supervisors and customers. I look forward to speaking with you regarding my skill set and attributes which I believe will serve as an asset to support ABC's goals. Please take a moment to review my attached resume. Thank you for your time and consideration.

I look forward to the opportunity to discuss my credentials and how my expertise can help your organization.

**Sincerely,**

Jashanpreet Singh
